

Temporary Traffic Arrangement at Po Shun Road / Po Yap Road / Chui Ling Road Junction

To facilitate the construction of Southern Footbridge, the existing roundabout at Po Shun Road / Po Yap Road / Chui Ling Road is modified into a signalized junction in mid-March 2019. U-turn is not allowed at the signalized junction. Directional signs are provided to guide motorists. The traffic at the junction will be temporarily controlled manually in a short duration while setting up the traffic signalization.

The green traffic light at Chui Ling Road:

■ Vehicles from Chui Ling Road eastbound can go straight to Po Yap Road or can turn left to Po Shun Road.

Sorry for any inconvenience caused. For enquiries or any opinions, please feel free to call the Project Team at their Hotline 5599 7455.

The green traffic light at Po Yap Road:

■ Vehicles from Po Yap Road westbound can go straight to Chui Ling Road or can turn right to Po Shun Road.

The green traffic light at Po Shun Road:

■ Vehicles from Po Shun Road southbound entering the signalized junction can turn right to Chui Ling Road only. For vehicles turning left to Po Yap Road, please use the exclusive turning lane.
